

LEVADO™

## Adjustable Height Desk

Save time and money with fast 90-Second assembly– simply fold out the legs and lock into place with patent-pending SwiftLok™ design

Intuitive adjustment with premium Feather Lift™ control paddle, with four programmable memory settings

No tool attachment to new or existing work surfaces with VersaTop Clamps™ (traditional mounting hardware also included), accommodates tops 48"-72" wide

Adjusts at 1.4" per second, lifting capacity 220 lbs

Maximum height adjustability with 3-Stage legs, 24.2"-48.5", anti-collision safety feature

Included cable management

High Pressure Laminate (HPL) surface is easy to clean and designed to be resistant to dents/chips, UV rays, stains and scratches

Top and base sold and shipped separately
